1. **Q: When will the new Warman Primary Health Center begin to take appointments?**
   A: The new primary health center in Warman opened the week of August 8. Hours of operations are Monday through Friday from 8:00 a.m. to 4:30 p.m.

2. **Q. What number do I call to make an appointment?**
   A. To book an appointment call the clinic at (306) 844-4380.

3. **Q. Can I go online to book an appointment?**
   A. Not at this time. To book an appointment, please call the clinic.

4. **Q. Can I book walk-in appointments?**
   A. Walk-in appointments are not being offered at this time.

5. **Q: Where is the new Warman Primary Health Center located?**
   A: 102 Central Street West in Warman, Sask.

6. **Q: What services are available at the Warman Primary Health Center?**
   A: The Nurse Practitioners provide health assessments to form a diagnosis, propose a treatment plan and collaborate with physicians and other health-care professionals.

   Nurse Practitioners are health-care professionals that can independently assess and treat common illnesses and injuries, screen and manage the presence of common illness and chronic conditions, monitor patients with stable chronic disease, prescribe medications and referrals to specialists, and order and interpret the results of laboratory tests, X-rays and other diagnostics tests.

   Laboratory and X-ray services are provided through Gama Medical Center, a private health, medical and pharmacy clinic, within the new shared space.

7. **Q: Will I have to pay for laboratory and X-ray services?**
   A: These services are offered by Gama Medical Center with regular billing processes for these services across the province and no cost to patients.

8. **Q. How do I book appointments for laboratory and X-ray services?**
   A: Residents can continue to access Lab and X-ray as they currently do for these services. There is no change to this process.
